

ClearBow

The aesthetic value of an invisible retainer
with the durability, functionality and benefits of a Hawley.

- 3 prong adjustable
- Guaranteed not to break or come apart
- Virtually resistant to stains (coffee, red wine, beet juice)
- Designed for optimal tooth contact with 2.75 mm and the new SlimBow with 1.45 mm width
- BPA free and gentle on tooth enamel
- Tested on more than 5,000 patients over 4 years to ensure its durability and effectiveness
